FEEDING DIRECTIONS

Feed 2 to 3% of body weight depending on performance desired. For additional feeding instructions contact **ROWE NUTRITION LLC**.

WARNING: Contains high level of copper do not feed to sheep or other species sensitive to copper.

ADDITIONAL RECOMMENDATIONS

- Use **Jackpot .43** for maintaining heifers, maximum volume and holding show steers.
- Fresh water should be available at all times.
- Free choice hay should be available at all times. Grass hay is preferred, Alfalfa hay is not recommended.
- If hay is restricted a minimum of 1 flake AM & PM should be fed.
- Provide free choice salt in loose or block form.
- Free choice mineral should be made available if not on full feed.
- Additional fats and oils should not be added to this product.
- **ROWE ENHANCE** is recommended as a top dress but is not mandatory.
-

ADDITIONAL NON REQUIRED INGREDIENTS

- Chelated Trace Minerals for increased mineral absorption.
- B-Vitamins.
- Probiotics for increased well being, better metabolism, reduced stress and to maintain healthy and flourishing microorganisms at optimal levels.
- Rumen bypass Amino Acids.
